Treasurer's Report

JANUARY 1, 1991 to DECEMBER 31, 1991

There are a few changes in the Treasurer's Report which follows; all the data is there, but not in the format we have used for the past several years. The State of New Hampshire has developed a new reporting system, which changes some of the categories for reporting various expenses and revenues. Although the State has not required the Towns to change their internal record-keeping systems, it does require the reports to the State be made under the new format. Rather than keep two sets of books, we have decided to use the new State system ourselves. Once we get used to it, I expect we will find it much more accurate and easier to understand.

The Town borrowed a total of \$310,000.00 in anticipation of taxes in 1991. All was paid back, with interest, on time, in December. We should need to borrow substantially less this year, and for shorter periods, because of the twice-a-year billing for property taxes which will begin in June, 1992. This should mean less interest expense as well.

The reports that follow are true summaries taken from the books of the Treasurer for the period January 1, 1991 through December 31, 1991, to the best of my knowledge and belief.

HARRIETT K. WILSON, Treasurer

Report of the Planning Board

The Planning Board met for 12 regular meetings and more than 20 workshop meetings. While the pace of development has slowed considerably, the board has been busy with new regulations and updates of existing ordinances, as well as improving our procedures.

Earth Excavation and Restorations regulations were adopted and a zoning amendment to enable these regulations was approved at Town meeting. Gravel pit owners were contacted and reports were filed for all active pits. All pits were inspected and photographed.

Subdivision activity consisted of the following application:

Project	Total Lots	New Lots Created	Status
Giovannucci	2	1	Approved ¹
Soucy/Wakefield	2	0	Approved ²
Water District			
Wilke	2	1	Approved

Notes:

1. Reapplication following Planning Board denial in 1990; Special Exception granted by Zoning Board of Adjustment.
2. Lot line adjustment.

The Subdivision Regulations have been reviewed in detail in order to bring them up to date, consistent with state law. An effort was made to simplify and clarify these regulations in the process. The revised Regulations are scheduled to be adopted and reprinted early in 1992.

In 1992, the Board will be reviewing the Zoning and Land Use Ordinance; as always, your input is encouraged.

Doug Vanderpool resigned as alternate member, and was replaced by Dick Peckham in May. The Planning Board would like to take this opportunity to thank its alternate members for their time and active participation. A special thanks to Norman Royle for all he has done for Brookfield. Norman continues to serve as our representative on the Lakes Region Planning Commission.

Respectfully submitted,
W. DAVID FREDERICKS
Planning Board Chairman

Report of the Zoning Board of Adjustment

On April 9, 1991 the Board held its only hearing for the year, denying a variance from Article V Section B-3 of the Zoning Ordinance. The petitioner sought to erect an addition that would have encroached on the required minimum setback of 40 feet from a side lot-line.

Wakefield Police Department

Brookfield Service Report

I approach this, my last Town Report, with mixed emotions. I will be retiring in March, having served Wakefield for 13 years. It has been rewarding as I reflect on how the Police Department has evolved into a structured professional agency, and developed a cooperative agreement with Brookfield enabling the Department to provide quality service to a supportive and deserving community. I will miss a lot of the interaction, but my goals have been accomplished and a good foundation is in place to build on and grow.

To ensure the continuing high standards of leadership, I recommended Lieutenant Timothy Merrill as a candidate to the F.B.I. National Academy. His graduation after a rigorous training course is a source of pride to the Department, and an achievement that will be most beneficial to his service to the Town.

It has been a privilege to serve the people of Brookfield, and I sincerely thank you for your cooperation and trust in me. My thanks to the Selectmen, both past and present, who have been responsive to the needs of the Department.

I leave with a great deal of pride in the members of the Wakefield Police Department who have served me so well., and I am confident they will continue to be a source of well trained, caring servants of the Town of Brookfield.

Respectfully submitted,
CHARLES E. SULLIVAN
Chief of Police

Wakefield Area Ambulance Corp.

The Wakefield Area Ambulance Corp. responded to fifteen calls in Brookfield in 1991. Of these two were for motor vehicle accidents, and ten were for home accidents or illness. One was a carry-out of over two miles and two were standby at fires. Of these fifteen calls, nine were transported to area hospitals.

The Corps presently has seventeen members of which eleven are Emergency Medical Technicians. Of the eleven EMT's eight are qualified for defibrillation and two are qualified for intravenous treatment. Four members are Advance First Aid qualified. Members logged over 1600 hours of voluntary man-hours for calls and training to Wakefield and Brookfield residents.

The Corps also has and maintains a snowmobile and stretcher sled for emergency calls to areas the ambulance is unable to reach.

Please remember the Corps stills holds Blood Pressure Clinics the first Wednesday of each month from 10:00 AM to Noon at the Wakefield Fire Station. Anyone interested can have their blood pressure checked free of charge.

The Corps is always looking for new members to provide medical aid to Wakefield and Brookfield residents. Anyone interested in becoming a member can call the Wakefield Selectmen's Office or contact a Corps member.

MALCOLM H. KURTH, Director

Visiting Nurse Association of Wolfeboro and Vicinity, Inc.

The Visiting Nurse Association of Wolfeboro and Vicinity, Inc., continues to provide both Home Health Care and Clinic Services to Brookfield residents.

The following services were provided to residents in Brookfield:

Home Care Services	Residents Served	Visits Made
Nursing, Physical, Occupational or Speech Therapy, Health Aide	9	190
Clinic Services		
Flu Clinics	6	6
Child Health Program	2	2
School Children Immunized	<u>3</u>	<u>3</u>
Total	20	201

The Agency now provides nursing, physical, occupational and speech therapy services and health aide services. Nursing visits are available 24 hours a day.

The Agency staff made 18.8% more home visits in FY 1991; Brookfield's increase rate was 46%.

Funding for these services is received from Medicare and other insurances, fees collected and a Grant from the New Hampshire Bureau of Maternal and Child Health. Gifts, Donations and Town Appropriated funds enable us to continue to provide needed services to those who need them without regard for their ability to pay.

The Board of Directors, the Staff and I thank you all for your continued support and assistance.

Respectfully submitted,
DAVENA R. DEWOLF, RN
Administrator

Report of the Animal Control Officer

Dogs Disposed	12	Cats Disposed	1
Dogs Boarded	10	Cats Lost and Found	4
Calls on Dogs Missing,		Other (Porcupine)	1
Running at large, Barking	26		
Dogs Found	18		

It has been very hard to find the owners of dogs this year, as many have shown up in town without collars or tags.

Thanks to the townspeople for keeping; at their expense and not the Town's; other owners's dogs, when they had every reason to turn them in. Many had fed and watered them during the hottest part of summer and sheltered and fed them in the coldest of winter.

I would like to thank each owner that updated on their missing animal: i.e.: a call back to let it be known that the animal was found or returned home on its own. This helps in cutting travel time in looking.

There has been an abundance of cats and dogs; from very young, to old and sick, left behind or tuned out of vehicles in passing. This is against the law; needless to say, inhumane. If you should see this occurring please phone license number to animal control or the Police Department.

I can be reached by phoning 5322-8835 or 473-2826.

Respectfully submitted,
HENRY M. BLANTON
Animal Control Officer

Report of The Center of Hope

The Board of Directors of The Center of Hope, Inc., Area Agency - Region XI, has made the decision not to request financial support on behalf of our transportation program for 1992. This decision is made with acknowledgment of the strong support for our program over the years, as well as the current economy.

The Town of Brookfield has been very generous, helping us to provide transportation to jobs, community services and friends. Our commitment to transportation services continues. We will work to offset the lack of Town funds in 1992 through fund raising and economies in other areas of Agency operation which will not affect services.

We thank you, once again, for your past assistance and hope that any future request for Town support would be considered.

Sincerely,
PETER BLUE
Executive Director

Report of the Lakes Region Planning Commission

Over the past fiscal year, the Lakes Region Planning Commission provided support and assistance to the Town of Brookfield at both the regional and local levels. Below is a sample of the services provided as a benefit to the community.

- Reviewed and provided recommendations for proposed earth excavation regulations.
- Computerized earth excavation regulation edits plus excavation permit information for word processing and production.
- Provided information regarding the procedure for entering Brookfield's Town Hall into the National Register of Historic Places and possible implications for future renovations.
- Provided a sample CIP for Planning Board consideration of future work.
- Provided information on gravel pit excavation permitting process and model regulations.
- Co-hosted the annual Municipal Law Lecture Series, where practicing attorney provide a legal perspective on local planning, zoning, and procedural issues.
- Presented three public workshops for local land use boards on Planning Board tools of the trade, agricultural lands and impact fees.

- Presented Legislative Night, where state legislators addressed water quality and ground water legislation and solid waste legislation.
- Produces and distributed the **draft Regional Transportation Plan - 1991** and held four public hearings in the Lakes Region.
- Continued services as an Affiliate State Data Center for the 1990 Census. Distributed census information where appropriate.
- Produced four quarterly newsletters focusing on planning topics and issues relevant to the Lakes Region.
- Maintained a regional transportation planning program designed to assist members with local and regional road and traffic problem solving.
- Represented the Region on key legislative issues such as impact fees, shoreland development and transportation.
- Produced and distributed the fourth edition of **Development Regulations with the Lakes Region**.
- Prepared the **1990 Public Utilities and Infrastructure Plan**.
- Represented the Region on the governor's appointed NH Heritage Trail Advisory Committee.
- Represented the Region on the DES Statewide Household Hazardous Waste Advisory Committee.

Report of the Conservation Commission

A permit was issued by the New Hampshire Wetlands Board to John Bowker for a wildlife pond. The Brookfield Commission investigated the site and took no exception to the request for a permit.

During the year members of the Brookfield Commission attended two regional meetings of Conservation Commissions to discuss common problems. One hosted by the Ossipee Commission at which representatives of Effingham, Tuftonboro, Wakefield, Madison and Tamworth were present. The second hosted by the Wakefield Commission at which representatives of Ossipee and Wolfeboro were present.

Members of the Brookfield Commission also attended a Wetlands Seminar hosted by the Wolfeboro Town Planner.
